Floor Lamps

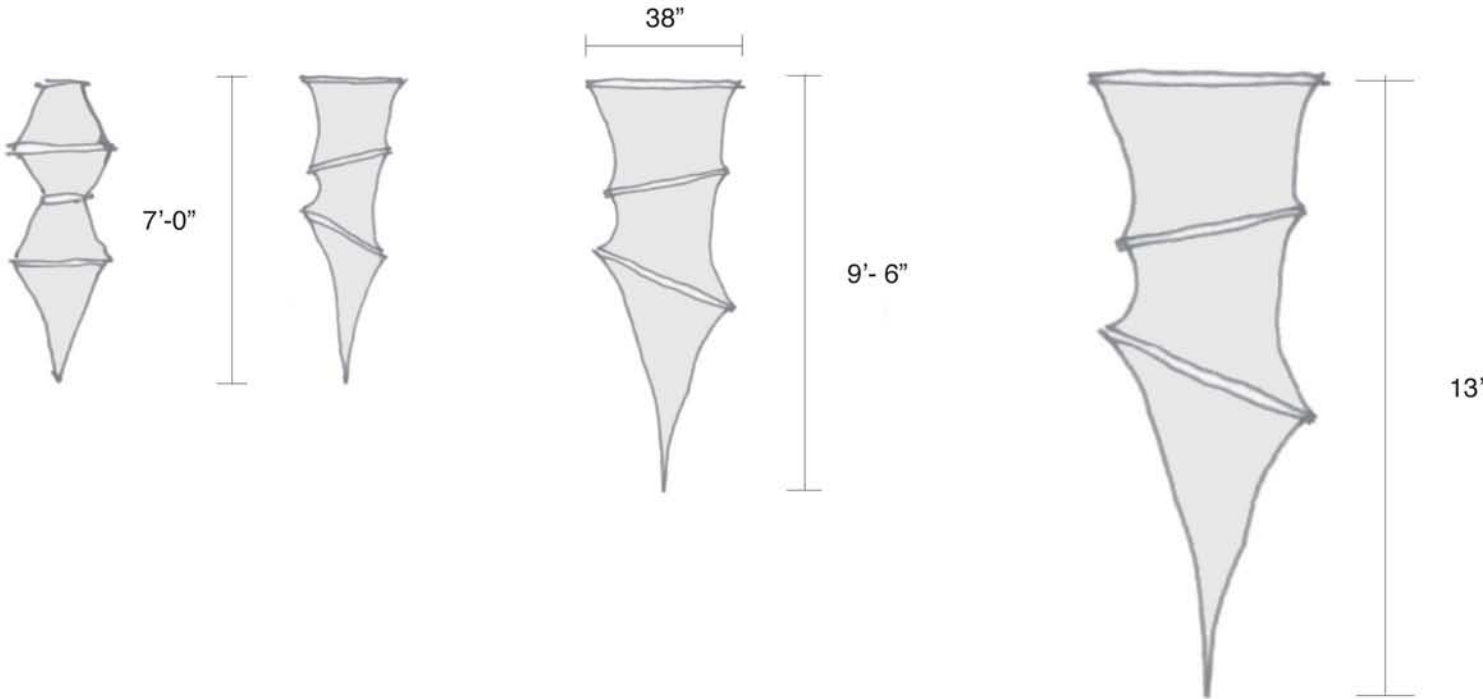

The lamps are sold or rented as shown or can be custom made to a specific height. The lamps are suspended from the ceiling and stretch down to the floor, pulled by weights in the wooden base, which is holding a halogen spot light. The body is white spandex stretch fabric, shaped by fiberglass rings except the lily lamp.

Bamboo

The Bamboo lamp is sold as shown or can be custom made to a specific height. The lamp is suspended from the ceiling and stretches down to the floor, pulled by weights in the wooden base, which is holding a halogen spot light. The body is white spandex stretch fabric, shaped by fiberglass rings.

24" section can be extended to 10' - 12' - 14'
